To:

Prof. Eugenio Raimondo

Dear Professor **Eugenio Raimondo**

Greeting

I would like to inform you that WAGRO wants to create a special department of application of modern therapies using growth factors and stem cells for patients with special needs.

Knowing your great experience in this area, I would like to ask you to honor us by being a head of this WAGRO's activity.

Sincerely yours,

Ioannis Georgakopoulos Ph.D.
President WAGRO International
